

Farm Crew Member, South Branch

Reports to: Farm Manager, South Branch

About City Green

City Green, Inc. is a 501(c)3 non-profit organization dedicated to facilitating the establishment of urban farms and gardens in northern New Jersey's cities to create increased access to healthy, local food while cultivating education in food systems, nutrition and the environment. We operate our own farm stands in Clifton, Paterson and Passaic as well as a mobile market serving neighborhoods in the area. Through our farms and markets, we aim to create increased access to local, farm-fresh food, while addressing issues of food justice.

Diversity is a core value of City Green. We believe the power of diversity enriches all of us by exposing us to a range of ways to understand and engage with the world, identify challenges, and to discover, design and deliver solutions. City Green is committed to working to build and sustain an equitable and inclusive work environment where diversity is celebrated and valued. We believe diversity benefits and enriches the development of all of our staff, partners, supporters, and community.

About South Branch Preserve

The Farm at South Branch Preserve is a production based vegetable farm cultivating 6 acres to grow 70+ varieties of vegetables. The Farm implements both organic and regenerative farm practices primarily focused on soil health, with an emphasis on increasing soil organic matter. In doing so, the farm is able to act as both an active land conservation method as well as a productive vegetable operation.

Position Summary: City Green's South Branch farm in Mount Olive, NJ is looking for farm crew members for the 2025 season! We are a production based vegetable farm cultivating 4-6 acres using organic and regenerative practices. This is a great opportunity for experienced candidates who enjoy on-farm work and want to expand their knowledge in all aspects of the organic production of 70+ varieties of vegetables. Farm crew members will work Monday-Friday and take part in all aspects of growing and harvesting a wide range of vegetables to support City Green's mission to increase accessibility of fresh, affordable produce in underserved communities. Farming is physical, fast paced, and tough work, but we make it a point to have fun and meet each task with positive energy!

This is a great position for those looking to further their knowledge in vegetable production with opportunities for advancement at our growing farm. At least one full season of farm experience is strongly preferred. Multiple positions are available.

Responsibilities include but are not limited to:

- Crop Production: Participate in all aspects of field work including but not limited to weeding, crop care, irrigation, seeding, transplanting, harvesting, washing/packing
- Harvesting: A large portion of the farm crew's responsibilities will be to harvest and process a wide range of vegetables, sometimes independently, with a high standard of efficiency and quality control
- Record Keeping: Maintain harvest records, wash house cleaning logs, inventory and labeling
- Farm Maintenance: Maintain organization in the wash house and walk-in cooler, as well as general upkeep of the farm equipment and farm sheds
- Equipment Operation: All employees will be expected to drive our pickup truck on the farm roads for harvests when necessary. Our farm operation utilizes tractors for field preparation, as well as some planting and harvesting, and farm crew members will learn to safely operate tractors and tractor implements **if interested.**
- This is a farm fieldwork position with no weekend farmers market responsibilities

Organizational Responsibilities:

- Foster and maintain positive relationships with partners throughout programs
